

DRYWALL REVEALS

PRODUCT ID: DR-Custom

DESCRIPTION: In addition to the industry standard extruded drywall reveal with tapered nail flanges we also offer a line of custom drywall reveal in a variety of materials and dimensions. The DR-custom trims can be installed both vertically and horizontally to create a dramatic look on interior walls. The nailing flanges are punched every 4" to allow joint compound to key and the taping bead helps to create a clean finished edge.

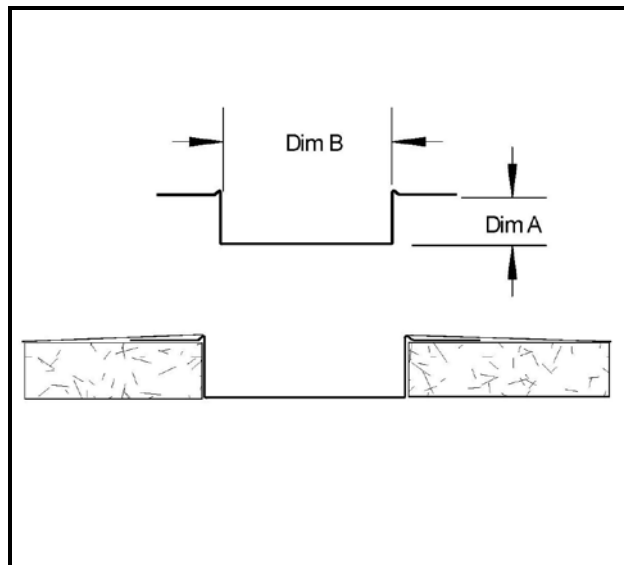

MATERIAL/

FINISH: .040" Aluminum Clear Anodized Finish, Dark Bronze Anodized or Paint Grade 'Mill'
26 ga Stainless Steel - #2B finish, or 16 oz Copper

SIZES: We can make virtually any size reveal from 1/2" wide to 10" wide and any required depth. When requesting a quote or ordering please specify your required depth first, then the width. i.e. 1/2" deep x 4" wide.

VENTING: Custom drywall reveals can be vented from 1/2" reveal up to 4" in width.

LENGTH: Standard: 10 ft.
